Parks & Recreation Commission

The Lemoore Parks & Recreation Commission consists of five commissioners who volunteer their time to give the residents of Lemoore a voice in the City's Parks & Recreation Department. The Commission encourages the public to attend their meetings, which are held at 5:30 PM, the second Tuesday of every other month at the Council Chambers located at 429 C Street. This is your chance as a resident to tell us what classes and events you would like the Recreation Department to offer. So attend a meeting and bring us your concerns, ideas, and vision for the future of Community Services in Lemoore.

Sponsor a Volunteer with a generous \$250 donation

Volunteers are youth age 14–17 years of age. They are the unsung heroes of the City of Lemoore's Summer Day Camp. Volunteers help keep camp enrollment fees low and gain valuable volunteer and employment experience in return. Volunteers provide approximately 25-30 hours of service-learning per week (over nine weeks) and are provided with a \$200 stipend by a sponsoring business, community service organization, or private charitable donation. \$200 of your generous donation goes directly to the Volunteer and \$50 covers field trip expenses, training, and uniform fees. Call 924-6767 for more information.

EVERY KID NEEDS A PAL

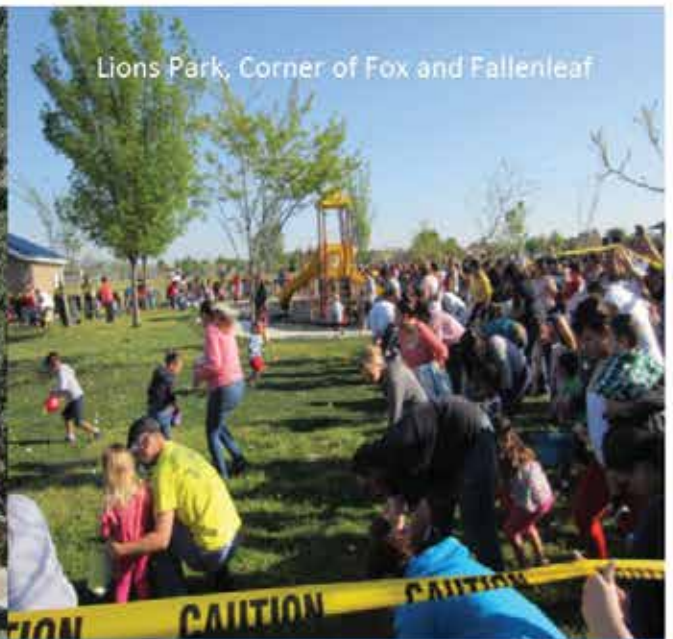

- PAL is one of the oldest youth programs in the country. It brings together cops and kids
- There are more than 125 police and sheriff departments in California that have PAL programs
- More than 300,000 youth are served in PAL programs
- Statistics show that kids who participate in out of school activities have a better chance of staying out of trouble
- PAL programs cut juvenile crime dramatically by offering a safe haven from negative influences

The Lemoore Police Department PAL program is a nonprofit organization. It is parented by the California Police Activities League, Inc. (CAL PAL). CAL PAL provides educational, recreational, and athletic programs to the youth of California, with an emphasis on "disadvantaged" or "at-risk" youth.
