

LEMOORE POLICE DEPARTMENT

PRESS RELEASE

On September 4, 2016 at about 12:15 am Lemoore police officers responded to Adolpho's Lounge for a report of a man with a gun. An employee called the police because a customer said that a male in the bar showed them a gun. A description of the subject was given and when officers arrived they contacted the male, later identified as 21 year old Miguel Gomez of Fort Dodge, Indiana, in front of the bar. Gomez was asked if he had anything in his possession that he was not supposed to have and he said he did. Officers noticed that there appeared to be something in his pants and when Gomez was searched they found a loaded revolver.

Gomez told the officer that he was carrying the gun because he had recently been jumped in another city. He admitted to being a gang member. He was booked for carrying a concealed firearm, carrying a loaded firearm, possession of stolen property, and a gang enhancement. His bail was set at \$110,000.
