### **Proposed Motion:**

Approve Resolution 2016-32 providing worker's compensation coverage for City safety volunteers.

### **Subject/Discussion:**

In January 1998, Resolution 98-06 was approved by the Lemoore City Council providing worker's compensation coverage for the Citizens on Patrol volunteers. Resolution 2016-32 will replace Resolution 98-06 and will cover all City public safety volunteers; including, but not limited to, Volunteers in Policing and Volunteer Firefighters. All non-public safety volunteers will not be covered under this policy.

### **Financial Consideration(s):**

No immediate financial impact. An impact could occur if a claim for worker's compensation were to be made by a public safety volunteer.

### **Alternatives or Pros/Cons:**

#### **Pros:**

- All City public safety volunteers would be covered by worker's compensation should an injury occur while volunteering.
- It is an employer best practice to provide worker's compensation for public safety volunteers.

#### **Cons:**

- City assumes financial responsibility for injuries that occur while volunteering.

**Commission/Board Recommendation:**

Not Applicable.

## Staff Report

**To:** Lemoore City Council **Item No.** 2-3  
**From:** Judy Holwell, Development Services Director  
**Date:** October 18, 2016 **Meeting Date:** November 1, 2016  
**Subject:** Public Hearing and Second Reading for Ordinance No. 2016-13 Related to Zoning Text Amendment to Sections 9-4A-5 and 9-4B-2, in the event Proposition 64 is passed during the General Election on November 8, 2016, pertaining to Cultivation and Use of Marijuana; which is not subject to the California Environmental Quality Act (CEQA)

### **Proposed Motion:**

Waive the Second Reading of the proposed Ordinance in its entirety; hold the Noticed Public Hearing to accept testimony regarding amending the zoning codes, more specifically sections 9-4A-5 and 9-4B-2 of the Lemoore Municipal Code, pertaining to cultivation and use of marijuana, which is not subject to CEQA; and adopt Ordinance No. 2016-13, in the event Proposition 64 is passed during the General Election on November 8, 2016.

### **Subject/Discussion:**

In response to the potential approval of Proposition 64, the Adult Use Marijuana Act (AUMA), and after adoption on October 4, 2016 by the City Council of Ordinance 2016-12, which amended Chapter 8 of Title 4 related to marijuana usage, staff is proposing changes to the Zoning Ordinance (Title 9). The changes would bring the Zoning Ordinance into conformance with the Proposition and Ordinance No. 2016-12 and would better define the City's role in regulating personal marijuana cultivation through conformance with all building codes. The Zoning Ordinance changes would only take effect if Proposition 64 passes on Election Day. No change would occur if the Proposition fails.

Specifically, the text amendment would change the definitions in the Zoning Ordinance related to marijuana (Section 9-4A-5), and would change the table of allowed uses (Table 9-4B-2 in Section 9-4B-2) to allow marijuana cultivation for personal use in residential zones.

If Proposition 64 is passed by voters, the initiative would legalize, for adults 21 years and older, the possession of up to 28.5 grams of marijuana, up to eight (8) grams of marijuana in the form of concentrated cannabis, which may be present in marijuana products such as edibles, and would allow personal cultivation of up to six (6) living marijuana plants per household. AUMA does allow cities to ban outdoor cultivation of marijuana and reasonably regulate personal use cultivation. If AUMA is passed, the City will be required to allow indoor growing for personal use, but has the option to set regulatory criteria for personal cultivation.

Marijuana remains illegal at the federal level. However, federal agencies are currently not enforcing laws regulating marijuana as closely as they have historically.

Currently, the City has a total ban on medical marijuana cultivation, processing, deliveries, dispensaries. At the September 6, 2016 Council Meeting, staff held a study session to address the potential passage of AUMA. Council directed staff to bring back an ordinance limiting the use and cultivation of marijuana within the law, to take effect if AUMA does pass. As a result, Ordinance 2016-12 was passed by Council on October 4, 2016.

Ordinance 2016-12 made changes to Title 4, Chapter 8 in the Public Health and Safety Regulations. The Ordinance continues to prohibit marijuana commercial cultivation, commercial processing, delivery, and dispensaries in the City Limits. In conformance with Proposition 64, the Ordinance does allow personal cultivation of marijuana, but confirms that no person shall smoke, ingest, or otherwise consume marijuana or marijuana products, whether recreational or medical, in the City of Lemoore unless such smoking, ingesting or consumption occurs entirely within a private residence. "Within a private residence" shall mean inside habitable areas and shall not include garages, whether attached or detached, and other accessory buildings unless those buildings are at all times fully enclosed during the consumption.

Due to adoption of Ordinance 2016-12, changes to the Zoning Ordinance are necessary. The proposed Zoning Ordinance changes include:

Subsection M of section 5 of Article A of Chapter 4 of Title 9 of the Lemoore Municipal Code is amended to read as follows:

“Marijuana” shall have the same definition as in California Health and Safety Code Section 11018, and Title 4 Chapter 8 of the Lemoore Municipal Code, as ~~it~~ they now read or as may be amended.

A ~~“medical~~ marijuana collective” or “dispensary” shall not include the following uses, as long as the location of such uses is otherwise regulated by code or applicable law: (1) a clinic licensed pursuant to Chapter 1 of Division 2 of the California Health and Safety Code; (2) a health care facility licensed pursuant to Chapter 2 of Division 2 of the California Health and Safety Code; (3) a residential care facility for persons with chronic life-threatening illnesses

licensed pursuant to Chapter 3.01 of Division 2 of the California Health and Safety Code; (4) a residential care facility for the elderly licensed pursuant to Chapter 3.2 of Division 2 of the California Health and Safety Code; and (5) a residential hospice or a home health agency licensed pursuant to Chapter 8 of Division 2 of the California Health and Safety Code, as long as any such use complies strictly with applicable law including, but not limited to, California Health and Safety Code Section 11362.7 et seq.

**Financial Consideration(s):** Negligible. Residents desiring indoor growing of marijuana will be required to notify the City of such activity. Development Services staff will inspect the grow areas and charge the established rates for building, plumbing, electrical, and fire inspections.

**Alternatives or Pros/Cons:**

**Pros:**

- Adoption of the Zoning Ordinance amendment will require personal use cultivation to comply with the Lemoore Municipal Code, if AUMA passes in November.

**Cons:**

- If passed, AUMA and the Zoning Ordinance amendment, will require extensive City regulation.

**Commission/Board Recommendation:**

During the duly noticed Planning Commission Meeting on October 10, 2016, the Lemoore Planning Commission unanimously voted to adopt Planning Commission Resolution 2016-08 recommending approval of the proposed Zoning Ordinance changes to the Lemoore City Council.

**Staff Recommendation:**

Council should open a public hearing to take testimony regarding the proposed Zoning Ordinance changes, which would bring it into conformance with Proposition 64 and Council's recently adopted Ordinance No. 2016-12; and adopt Ordinance No. 2016-13, which will better define the City's role in regulating personal marijuana cultivation through conformance with all building codes. If adopted, and if Proposition 64 passes, the Ordinance will be effective in thirty (30) days.

Staff is bringing the Citywide Community Investment Program (CIP) this fall, is change the time of adoption. In the future, the CIP will be brought to Council in the fall to review and approve the fiscal year 2017-2018. Each year, the Council will adopt the operating budget in the spring and the CIP budget in the fall, with the completion of the audit and Comprehensive Annual Financial Report completed by the end of each calendar year. The CIP projects identified and proposed for funding for the next five years total almost \$125 million.

The \$124,944,500 total 5-Year CIP Budget has funding sources identified through fund balances, projected revenues, and proposed debt financing as shown in the attached 5-Year CIP document.

**Financial Consideration(s):**

The 5-Year CIP Budget plan included a \$38,812,500 appropriation for the first two-years of funding for projects approved for fiscal year 2015/16 and 2016/17 and a fiscal policy recommendation to approve and program the last three years of the multi-year CIP plan. Funding sources for each of the five fiscal years is presented in detail in the attached comprehensive 5-Year CIP document.

To ensure accountability, the Finance Director prepares a Monthly CIP Budget Status report and presents it to the City Manager and Department Heads. This ensures that projects are on schedule and staff can address project costs and funding matters in a timely manner before an issue arises.

**Alternatives or Pros/Cons:**

Pros:

- Review of the 5-year CIP demonstrates a best management practice.
- The CIP is a planning and management tool for the organization.
- Develops a staggered schedule for financial documents and plans.

Cons:

- None noted.

**Staff Recommendation:**

Receive and file the Citywide Community Investment Program (CIP) document for fiscal year 2016/2017.
